DETAILED ACTION

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Applicant has amended claim 4 into independent form including all the subject matter from claims 2 and 3. Therefore, claim 4 is allowable. Further, claim 11 includes the same limitations as claim 4, except for the subject matter of claim 3. In updating the search in view of new claim 11, it was still found to define over the prior art of record since it included the language of the contact portion being chamfered to have an arc-shaped or a linear inclination to an axial direction of the drive roller.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Allowable Subject Matter

Claims 4-11 are allowed.
